CONDITIONS OF SALE

The highest bidder shall be the buyer and if any dispute arises between two or more bidders, the auctioneer shall either decide the same or put up for re-sale the lot so in dispute.

Any bid which is merely a nominal or fractional advance may be rejected by the auctioneer, if, in his judgment such bid would be likely to affect the sale injuriously.

The highest bid shall in all cases be accepted by both the buyer and seller as the value against which all claims for loss or damage shall lie.

The record of sale kept by the auctioneer and bookkeeper must be taken by the buyer as absolute and final in all disputes.

Title passes upon the fall of the auctioneer's hammer. If, for any cause, an article purchased cannot be delivered in as good condition as the same may have been at the time of its sale, or should any article purchased thereafter be stolen or mis-delivered, or lost, the undersigned is not to be held liable in any greater amount than that paid by the purchaser.

Purchasers to give their names and places of residence and to pay a cash deposit of not less than 25% of the purchase price—or the whole of the purchase money if required—in default of which the lot or lots so purchased to be immediately put up again and resold.

Deposits shall apply to all purchasers made at this sale and not to any one particular lot.

The auctioneer reserves the right to reduce the per centum of the deposit to be collected or to waive same entirely if he so desires.

Bills payable in cash before delivery.

Receipted bills must be presented before goods can be removed.

The lots to be taken away at the buyer's expense and risk (within three days from the conclusion of the sale) unless otherwise specified in writing by the undersigned previous to or at the time of sale; and the entire purchase money to be absolutely paid or otherwise settled to the satisfaction of the undersigned on or before delivery; upon failure to comply with these conditions, any money deposited in part payment shall be forfeited. All lots uncleared within time mentioned above shall be re-sold by public or private sale, without further notice, and the deficiency (if any) attending such re-sale shall be made good by the defaulter at this sale, together with all charges attending the same. This condition is without prejudice to the right of the undersigned to enforce the contract made at this sale, without such re-sale if he deems fit.

The undersigned is not to be held responsible for the correctness of the description, genuineness or authenticity of any lot, and no sale will be set aside on account of any incorrectness, error of cataloguing or any imperfection not noted. Every lot is sold "as is" and without recourse.

W. J. FISCHER,
C. H. TOBIAS,
Auctioneers.

All articles purchased at this sale will be subject to payment of the New York City Sales Tax of two per cent (2%) on the purchase price, except where the purchaser signs the certificate required by law that the article was purchased for re-sale.
